ABOUT

The Globe chair has a playfully rounded shape. It is available in different colours which will let you refresh and brighten an interior. For a more comfortable sitting it has a noticeable foothold curve and a flexible backrest.

The Globe chairs can serve as office chairs, kitchen chairs, dining room chairs and guest room chairs. Due to the stackability of these chairs, they are easier to keep and move. This chair is made of bent plywood and has withstood the test of time and market.
