ABOUT

Wing New provides an opportunity to comfortably and stylishly keep all the magazines and newspapers in one place. The Wing magazine holder is a modern and handy interior accessory.

The surface of Wing New is made in curved, flowing lines with expressive corners. Two legs made of solid wood are attached to the form that makes the magazine holder stable even when full.

The attractive design of Wing II will make it suitable to different home interiors of living rooms, bedrooms, kitchens as well as public interiors of offices, waiting rooms, conference halls etc.
